Overview

The NETGEAR AirCard 810 Mobile Hotspot gives you a secure and super-fast Internet connection anywhere with its 4G LTE Category 11 support (600 Mbps download). 802.11ac WiFi provides ultimate performance for streaming media, gaming & data transfer. You can receive SMS messages & monitor data usage on the color LCD touchscreen. This Mobile Hotspot allows you to connect up to 15 WiFi enabled devices like your smartphone, tablet and laptop and it provides up to 11 hours of battery life. Jump Boost lets you charge your smartphone or other small portable USB devices like a portable battery bank.

Ideal Uses

Remote Users

Access to super-fast 4G LTE & 3G connections to the Internet, even if you don't have access to DSL or cable.

Vacationers

Access the web for information and entertainment while on the road and away from home.

Mobile Workers

Make use of downtime while traveling and increase productivity with anywhere, anytime access to high-speed mobile broadband.

Key Features
