Sharing Life’s Moments, Instantly.

The Meural WiFi Photo Frame Powered by NETGEAR® lets you share special moments privately and securely almost instantly on a beautiful crystal-clear display. Easily upload your phone’s photo collection directly to your pixel-perfect display and invite loved ones to share right to your canvas. Pictures capture so much of our daily lives. Now you can see those memories the way they were meant to be seen on a beautiful 15.6” display.

Meural makes it seamless for you to enjoy and manage your photos. Manage your canvas and schedule your content to display when you want to see it. Link your photo albums on your phone to your canvas to have them magically update on your frame when you make album changes on your phone. See where you captured your photo memory by simply waving up on your canvas to see the photo details such as city and date. Meural will automatically adjust the display brightness based on the amount of light in your room and goes to sleep when its dark.

Your Meural WiFi Photo Frame can also display the 100 included famous pieces of art. Use Discover in the Meural app to browse through 30,000+ artworks. Now you can instantly share life’s cherished moments and discover a world of art straight from your Meural WiFi Photo Frame.
Picture-perfect sharing from phone to frame.
