4G LTE Modem

Overview

The NETGEAR 4G LTE Modem gives you a simple, LTE connectivity solution for your devices, avoiding disruptions in broadband when your fixed wire line goes down. Simply connect this modem directly to your router, switch or computer to provide an automatic 4G LTE or 3G/2G broadband backup connection with download speeds of up to 150 Mbps. It has a Gigabit Ethernet WAN port so that you can plug in your wireless router and share connection with all your Wi-Fi and wired devices. In addition, this LTE modem comes with Power-over-Ethernet for remote locations. The NETGEAR 4G LTE Modem is also compact, convenient, and simple to setup.

Key Features

Super-fast Connectivity with 4G LTE & 3G
Get secure and super-fast 4G LTE connectivity with 3G/2G fallback for broadband failover. Get up to 150 Mbps download and 50 Mbps upload speeds.

Wired Connections
Gigabit Ethernet WAN port for connection pass-through. Power-over-Ethernet for remote locations.

Better Signal Reception
Two connectors available to connect optional 4G/3G antennas for better signal reception.
We all depend on a fast, always-on broadband connection, and planning ahead to ensure everyone stays connected is essential.

The NETGEAR 4G LTE Modem is a reliable backup source for broadband connectivity, allowing you to continue running without any disruption when your wire line broadband is unexpectedly not available.

Using the NETGEAR 4G LTE Modem for broadband connectivity enables Internet access at fast speeds with the convenience of portability and flexibility. Unlike other connectivity sources, the NETGEAR 4G LTE Modem can be easily installed in a matter of minutes, and it’s ideal for a wide range of environments including rural areas, outdoors, and locations where wireline option is not readily available. Power-over-Ethernet adds a powering option for remote locations. Some typical applications include:

- LTE WAN backup for business continuity
- Interim solution to fixed line service
- Last-mile connection
- Kiosk - wire-free connection
- Vacation cabins / rural homes
- Temporary offices such as construction sites
- Mobile stores such as food trucks
This product comes with a limited warranty that is valid only if purchased from a NETGEAR authorised reseller.

*90-day complimentary technical support following purchase from a NETGEAR authorised reseller.

ATTENTION: Due to EU law, the country settings must be identical to the country where the device is operating (important due to non-harmonised frequencies in the EU.)

For indoor use only.

Valid for sale in all EU member states, EFTA states, and Switzerland.
